# A LITTLE ABOUT US

Introducing Vansh Electromechanical Devices Pvt Ltd, a Leading Innovator in LED Lighting Solutions. With an unwavering commitment to illuminating India's residential and industrial landscapes, Vansh Electromechanical Devices Pvt Ltd stands as a pioneering force in the LED revolution. Our dedication to crafting superior lighting solutions is epitomized by our two state-of-the-art manufacturing facilities, strategically located in Kundli, Haryana, and Roorkee, Uttarakhand. These cutting-edge factories collectively span over 100,000 square feet, meticulously designed to house the full spectrum of equipment and machinery required for the LED fixture and complete LED light production process.

At Vansh, we take pride in our holistic approach to LED manufacturing, ensuring that every component, from the LEDs to the PCB, is crafted exclusively within our Indian facilities, meticulously adhering to international quality standards. This dedication to quality extends beyond our products, as we offer an exceptional two-year pick-and-drop warranty service, ensuring peace of mind for our valued customers.

Our relentless pursuit of excellence is characterized by a harmonious blend of consistency, efficiency, and a customer-centric ethos. Vansh Electromechanical Devices Pvt Ltd emerges as the preferred choice for discerning consumers and is proud to be the trusted lighting solution provider for numerous prestigious brands across India.

When it comes to illumination, we are your guiding light, and we look forward to brightening your world with our exceptional LED fixtures and complete LED lights.

## CEO'S MESSAGE

Dear Valued Partners and Customers,

At Vansh Electromechanical Devices Pvt Ltd, our unwavering dedication to innovation and quality is the cornerstone of our success. We take immense pride in illuminating your lives with cutting-edge LED solutions. With gratitude, we extend our commitment to excellence, serving you and your needs tirelessly. Your trust in us fuels our journey. Together, we light up the future.

Warm Regards,  
**Mr Manoj Gupta**  
**Director**

Vansh Electromechanical Devices Pvt Ltd.

## A LITTLE ABOUT OUR FACTORY

Scan to Download our  
complete Company profile.

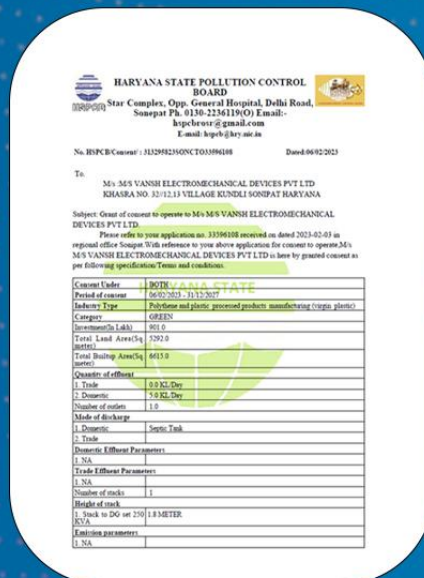

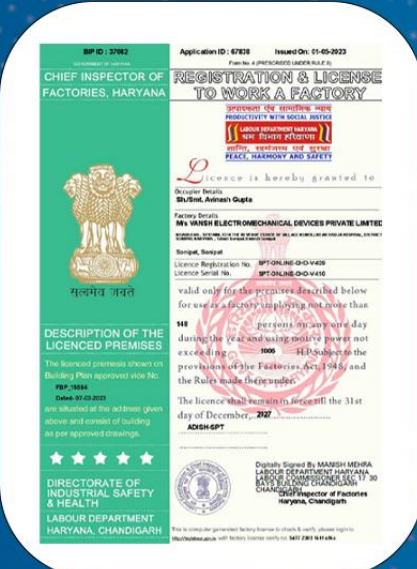

Our LED Light Manufacturing Plant is a testament to our unwavering commitment to producing top-tier lighting solutions. Spread across sprawling facilities in Kundli, Haryana, and Roorkee, Uttarakhand, our state-of-the-art production units encompass a diverse range of specialized areas that enable us to deliver cutting-edge products to our customers.

Within our manufacturing plant, our SMT Assembly Room houses advanced Surface Mount Technology equipment, ensuring the precise and efficient assembly of LED components. The Injection Moulding Section facilitates the production of durable and visually appealing casings for our LED fixtures. Our Tool Room is equipped with precision machinery to create intricate molds and fixtures, guaranteeing consistent product quality. The Power Press Room enables efficient processing of materials for various lighting components.

Complementing our production capabilities, our dedicated Research and Development Team continually innovates, pushing the boundaries of lighting technology to develop products that not only meet but exceed international quality standards. This holistic approach to manufacturing, coupled with our cutting-edge facilities, positions us as a leading force in the LED lighting industry, serving the needs of our valued customers across India and beyond.

# 25 YEARS OF EXCELLENCE

Celebrating **25 Years** of Illuminating Excellence!

At Vansh Electromechanical Devices Pvt Ltd, we are not just a business; we are a legacy of trust, expertise, and innovation. With a quarter-century of commitment to lighting, our journey has been illuminated by relentless dedication to quality, precision, and customer satisfaction.

Over the years, we have become a beacon of trust for those who seek not just LED lights but the promise of a brighter, energy-efficient future. Our unwavering commitment to excellence has earned us the trust of countless individuals and industry leaders alike.

From our in-house manufacturing prowess to our unparalleled after-sales service, every facet of our business is a testament to the expertise that only 25 years of relentless pursuit can bring. We thank you, our valued customers and partners, for the trust you've placed in us, and we look forward to many more years of brilliance together.
